

# Date Night Menu at Gaslight Grill

At Dick Hawk's Gaslight Grill you can treat that very special someone to a tailor made dinner for two. We have introduced an elegant Date Night Menu. Start with a fresh salad or our savory crab bisque. Then share an entrée combination of filet and lobster for two, or a 24 ounce porterhouse and crab legs, or any one of four other succulent combinations. And finish your elegant dinner with a shared house-made dessert like Crème Brulee or a sumptuous tiramisu. All for a discounted fixed price of \$89 per couple, or \$69 for the petite options. And be sure to add a wine selection from our collection of more than 1,000 bottles to accompany your special evening.

So join us Sunday through Wednesday night for the special Date Night Menu at the Gaslight Grill. Make your reservation for either the main dining room or the Back Room, featuring the live jazz of Lynn Zimmer and the Jazz Band, on our website or by calling 913-897-3540.

Hope to see you soon at the Gaslight Grill, just south of 135<sup>th</sup> on Briar Drive between Roe & Nall in Leawood.
